

Geotab GO Plan Announcement

As Geotab continues to expand their robust portfolio to serve over four million connected vehicles and assets, their commitment to delivering actionable insights remains steadfast.

Geotab aims to provide effective products and services, so you can harness the power of data from devices linked to the Geotab Platform. With this in mind, they've created the **GO Plan™**.

- *Effective October 1, 2024, the GO Plan™ will replace the current Rate Plans — Base, Regulatory, Pro, ProPlus — for new Customers.*
- *Starting January 2025, existing Customers will be upgraded to the GO Plan™.*
- *The GO Plan™ offers the same functionality as the ProPlus Rate Plan to provide enhanced vehicle engine data and in-device accelerometer, and includes support for Active Tracking, and Wi-Fi functionality.*

If any existing customer would like to upgrade prior to the January date, please reach out to our customer support team at geotab@panapacific.com or **1-877-244-4516**.

For questions on features and pricing, please contact our customer support team at geotab@panapacific.com or **1-877-244-4516**.

Geotab GO Plan Features

The GO Plan™ provides a simplified product offering and buying experience, allowing you to manage all your GO devices under a single plan.

With the GO Plan™, you can maximize on the insights with the most complete data set, as well as more powerful insights for new features, such as Risk Analytics.
